Customer starts with:

Enter phrases that a customer types or says to start the conversation about a specific topic. These phrases determine the task, problem, or question your customer has.

The more phrases you enter, the better your assistant can recognize what the customer wants.

Enter phrases your customer might use to start this

Total 50

Enter a phrase

Can I speak to a human please?

Can I connect to an agent?

Call agent

A real agent, please.
